"offers a kind of authenticity that no other American 'Fiddler' ever has"
– *The New York Times (Critic's Pick)*

Join your friends from KleinLife and the Northeast Kehilla as we experience Fiddler on the Roof in a new way—in Yiddish, the language of Tevye and his family! National Yiddish Theatre Folksbiene's production, directed by Oscar and Tony Award-winner Joel Grey, is rich in Yiddish translation by Shraga Friedman and adds new depth and dimension to the most well-known Jewish musical in the world. Don't miss the beloved story of a community and its struggle to balance traditions and desires in a changing world. The little town of Anatevka will bustle with the sounds of the *mame-loshn*. Performed in Yiddish with supertitles in English & Russian.

The 1980s hit movie, Tootsie, gets a musical makeover!
