

OLLI at Widener University presents **Presidential Children**

at KleinLife 10100 Jamison Avenue, Philadelphia, PA 19116

**Wednesday, February 12, 19, 26,
March 4, 11 • 1:15pm • \$30/5 sessions**

The stories of Presidential children are as varied as those of our Presidents. Some became prominent; others faded into obscurity. Some became America's sweethearts; others were objects of controversy and vilification. Some benefitted from the prominence of their Presidential parents; others were crushed by the weight of expectations. This course examines the lives of Presidential children from our country's earliest days to the present. In doing so, we will gain an understanding not only of the offspring but of their famous parents.

Mr. David Hudiak (BA Haverford; JD Univ of Pennsylvania Law School) has been a licensed attorney for over 35 years and is a member of the Bars of Pennsylvania, New Jersey, and the U.S. District Courts for the Eastern District of Pennsylvania and the District of New Jersey. He has extensive teaching experience, having taught numerous paralegal classes as well as seminars in law school admission test preparation.
