

Attention ELRC parents:

Starting this fall, we will begin charging the difference of what ELRC pays us in subsidy with what we charge our private pay parents. Since we will now be providing all day care for families, this extra fee will help us cover the cost of the extra staffing, supplies, and resources that will be needed during this time.

The cost will be \$10 per day or \$50 per week per child. This is on top of your copay that you are assigned by ELRC. For example, if your weekly copay is \$10/week, you will be obligated to pay us a total of \$60 per week. We will offer a 10% discount for siblings.

Payments will be taken out via credit card payment each Friday. Please, provide credit card information on the Payment Information Page in this packet.
