## Swim

Our swim program is designed with safety, fun and learning in mind. Swimmers enjoy two indoor pools. All campers enjoy swim everyday. All of our instructors are Red Cross certified and utilize drill, games and safety techniques.

## Special Camp Details

### Free Lunch Program

KleinLife observes the dietary laws of traditional Judaism. Our camp is proud to offer a full kosher lunch program at no extra cost on everyday, along with daily snacks.

### Financial Assistance

We accept ELRC (formerly CCIS - 215-382-4762) and the Jewish Federation Day Camp Scholarship ([jewishphilly.org](http://jewishphilly.org))

## **Lower Camp • Grades K-3**

Levitties campers never run out of new challenges and exciting adventures. With a focus on process-oriented activities, your Levitties camper will acquire new skills and enhance their personal development in our exciting camp environment. An extraordinary variety of activities awaits your child including art, music, soccer, creative movement, swim and much more. Levitties campers are placed in age-appropriate bunks for boys and for girls where they will be encouraged to think individually and work cooperatively.

## **Upper Camps**

### **Maccabi • Grades 4-7**

You and your bunkmates will build and develop skills, independence, teamwork, sportsmanship and, most importantly, have fun in our secure and awesome sports specialty camp. You'll enjoy a variety of sports including: basketball, soccer, tennis and daily free swim. You will also enjoy weekly special entertainment.

### **Sr. Girls • Grades 4-7**

Along with our regular camp programming, your teenage girl will enjoy trips, special programs, relationship building and leadership training.

### **Teen Camp - CIT Program • Grades 8 & 9**

Learn to be a successful counselor by working directly with campers as a counselor-in-training. You'll work with a camp bunk each morning to assist campers with their activities. Each afternoon, you'll enjoy free swim and a special, CIT-only activity. Our CIT coordinator will be your supervisor and will help you develop your individual program.

## **Inclusion Program**

### **All Ages**

We welcome all children, regardless of special needs, to have an enjoyable and meaningful summer camp experience. Our Special Needs Program is tailored to support and facilitate social development, peer interaction and athletic and creative skills in a fun and nurturing environment. Not all children are appropriate for this program and acceptance will be made on an individual basis. As enrollment is limited, so contact us as early as possible to discuss your child's participation in this program.

## Camp Philosophy

KleinLife's Summer Day Camp believes that summer camp is a magical place where your child has fun, grows and feels good about who they are as an individual. Our programs offer your child opportunities to make new friends, participate in exciting activities and learn new skills while developing a deeper appreciation for their Jewish heritage.

Supervisors, specialists and counselors are all carefully selected based on experience and ability to relate to children. They help to provide a safe, nurturing environment that builds a sense of independence and individual accomplishment for our campers. We strive to help our campers become better people and we encourage them to always try their best.

KleinLife builds community among people of all ages and backgrounds, enhancing quality of life through social, educational, cultural, human service and wellness programs. Rooted in the Jewish value of *tikkun olam*, KleinLife welcomes everyone irrespective of religion, ethnicity, race, nationality or cultural background, gender, age, disability, and ancestry.
